Subject: Superintendent Evaluation for 2013

Trustees,

I have spoken with Superintendent Mike Miles about his performance evaluation that is to be completed by May 15, according to his contract. We agreed that the evaluation should be postponed until July 15. However, the Board must agree with the decision.

The school year has not yet ended. In May, there will be much attention on employee contract non-renewals, along with other pressing issues. In May and June, we will be consumed with budget development and adoption, as well as graduation ceremonies. And, at least two trustees, Eric and Elizabeth, will not be in town during most of the week of May 15.

I am asking that you contact me directly to discuss your thoughts on changing the evaluation deadline from May 15 to July 15; for this year only. After receiving your comments, I'll decide on the next course of action.

With Regards for Children,

Lew Blackburn, Ph.D.
